Mobile Primary Health Care Services Coming To Serve East Beaches.

Jeremy Buchner, Regional Director, Primary Health Care-Planning & Development, Interlake-Eastern Regional Health Authority, presented plans to provide a Mobile Primary Health Care Van for the Grand Marais and surrounding Beaches area starting December, 2015.

One day per week a fully-equipped RV unit will bring staff from Selkirk to the GMCC site on Hwy. 12 to offer medical services by a Nurse Practitioner and Registered Nurse. It includes 2 exam rooms, prescription, referral and lab services. It has wheelchair access, and IERHA electronic medical records. Both appointments and drop-in visits will be accommodated.

Local meetings are being planned to give full details to the community and an opportunity for questions.

Reports: The complete set of reports of the Board and Committees of the Board that were presented at the AGM will be posted shortly on the Living360 website. These include the activities of the Board, fund-raising efforts and programming.
