THANK YOU FOR A SUCCESSFUL CENTRAL MARKET IN 2017

We, along with the GMCC staff would like to THANK everyone who attended our Central Market this year. We ended the year with 65 Vendors rotating on the Fridays and Saturdays. The community was introduced to many new products/crafts and produce.

There was something for everyone. It was absolutely a HUGE success and we are already planning next year's event. If you or someone you know is interested in becoming a Vendor next year, please contact Susan Prohaska @ (204) 754-8290 / email: Manager@GrandMaraisCommunityCentral.ca

Just a reminder that it is almost that time of year to think about Income Tax Receipts for Charitable Donations. Donations are used for the overall East Beaches Regional Complex project. Charitable donation receipts are issued for all donations over \$10. Charitable giving is an important Canadian value and tradition. Every year, Canadians from coast to coast to coast come together to support the causes that matter to them, like Living360. We are registered with the Canada Revenue Agency (CRA) to work at ensuring the successful development and construction of a multi-use complex, which will serve the East Beaches Region in its aspirations for improved and enhanced social and economic conditions and overall quality of life. You want to know that you're investing in an organization that does meaningful work for you. You can give online via our website www.Living360.ca and *How to Help* where the Donation page is **Powered by CanadaHelps.org**. You will be asked to fill out a form where you can select where you feel the Donation is to be best used.
